

A One Day Talk on “Student Mental Health and Suicidal Tendency and Prevention” will be held at Shree Ramakrishna BT (B.ED.) College, Darjeeling on 03/09/2025 at 10:30 am (Sharp), organized by the Internal Quality Assurance Cell (IQAC), Shree Ramakrishna BT College.

Programme Overview

This event is a significant part of the national effort mandated by the Supreme Court of India to address the growing concern over student suicides in Higher Educational Institutions (HEIs) across the country. The session aims to promote awareness, prevention strategies, and mental health support for students.

STUDENT MENTAL HEALTH AND SUICIDAL TENDENCY & PREVENTION TALK

RESOURCE PERSON

Mr. Bivek Pradhan
Clinical Psychologist and Counsellor
District Mental Health and Illness
Kalimpong District

Objective: Address and prevent student suicides, promote mental health, and support the Supreme Court's mandate for HEIs.

Importance: This programme aligns with recent judicial mandates and national policies to create safer, more supportive environments for students, emphasizing the urgent need for intervention and awareness regarding mental health and suicide prevention in academic institutions.

In addition to the table, colleges are **required to submit supporting documents** related to the initiatives, which may include:

- Copies of notices/circulars regarding the programme(s).
- Photographs of events/activities conducted.
- Attendance sheets of the programmes.
- Any other relevant documents evidencing the initiatives.
